The Chairman Writes

The timescale for preparing and printing our Newsletter means that I'm writing this at the turn of the year. That always makes it appropriate to look both backwards and forwards.

Looking backwards, we've had a successful year in terms of all our events – talks, outings, social events and holidays. This is entirely due to the people who've put in all the hard work organising these things (and of course that doesn't include me). Yes, we cancelled a couple of things, but as a Committee we don't look on that as a failure – if we don't keep offering different things we can't find out what you want.

Sadly, also looking back we've lost the services of our Newsletter Editor John Haworth. John felt that his health meant that he couldn't guarantee to be available, and he has reluctantly stepped down. Our thanks to him for his help. Fortunately, his predecessor Venn Goldsack has come out of 'retirement' for this issue, while we train a replacement for John.

Looking forward you'll see that we continue to provide you with a wide range of events – we try to find something for everyone. You'll also see from our Secretary that we're recommending opening the membership of PANT to non-National Trust members. The experience of other groups is that previous fears about this move have proved groundless and we hope you'll support it at the AGM.

Also looking forward we'd like to try something new. At the moment all our Committee have specific jobs – Secretary, Treasurer, Events Coordinator etc. We're looking for someone to join the Committee for a year, to be the voice of the 'ordinary' member (although I know that many of you are far from ordinary). Just come along to our six meetings each year, and tell us what you think about what we're doing and how we're doing it. A fresh perspective might help us improve. If you're interested just contact me.

Meanwhile, thank you all for your support and I hope you continue to enjoy belonging to PANT.

Les Wright

Membership News

Welcome to the following members who have joined us since the last Newsletter was published.

Caroline Snell	Maureen Whorwood
Janice & Brian Tait	Roger & Doreen Frost
Ros Ralfe	Terry & Mary Buck
Wenda & Tim Lench	Richard & Ingrid Weaver
Jackie Leonard	Jennifer & David Huntley
Joe & Patricia Laurenti	Maggie Gosse
Betty Clark	

We hope you are enjoying your membership.

We've lost a number of members over the year. Some have felt too infirm to continue being active, some have moved away from the area, and sadly we heard of some deaths.

It's membership renewal time, (unless you joined after the start of this year) and we're repeating the system we've used in recent years. If you pay by Standing Order you will find an orange slip reminding you of this, and you don't need to take any further action. If you normally pay by cheque you'll find the usual renewal notice.

If you pay by BACS transfer then please let me know (phone or email will do) so that we know what payments to expect on our bank statements. BACS details are:

Account name: PANT Sort Code 20-68-79 Account 90830127.

Please think about paying by Standing Order - it makes life so much easier for us. If you contact me I'll send you a form.

David Cole - Membership Secretary

Please don't miss the explanation on p19 about the criterion for being a member of PANT. This relaxation is to be debated at the AGM on Tuesday 17th April.

Publicity and Communications

It's been a constant complaint by all Supporter Groups that the National Trust doesn't give us enough publicity. This has improved somewhat in recent years, and now most editions of 'Near you' delivered with your Trust magazine, will have something about Supporter Groups.

The Trust has also run a pilot scheme in the Bath area, contacting all members with email addresses, and directing them to a webpage with links to their local groups. This should be repeated in our area soon, and we hope that this will help us attract new members.

On a local note Dorset Life should be running an article about Supporter Groups in Dorset in its February or March edition, and we hope that this will also raise our profile.

Talking as we do to other groups, it seems that word of mouth remains the very best publicity, so if you're enjoying your membership please mention us to friends and acquaintances. David Cole our Membership Secretary will be happy to provide leaflets.

A quick reminder – if your email address changes, please remember to let me know and finally, a thank you to everyone who helped to deliver this Newsletter.

Les Wright - Publicity Secretary/Web Manager

Closing dates and cheques

It is important that cheques are dated as instructed as we sometimes have to make payments in advance. Examples: we have to pay the coach company 3 weeks in advance; theatres require us to pay for tickets when they are booked; hotels and restaurants either need a deposit or the money up front.

In practice this means that the Closing Date is usually the date you should use on your cheque. The organisers of events have calculated the closing date to allow for payments, and the closing date means just that - no more bookings will be accepted after that date.

We cancel events if we don't get enough bookings before the closing date. In the past we've been able to be flexible about this, but this isn't possible any longer, so please book promptly.

Treasurer's Report

As I write this report we are approaching the end of the financial year with our accounts looking very healthy. We already have a surplus for the year of just under £6,000. We donated £775 to the National Trust earlier in the year to further support Purbeck Projects in 2017 and shortly I hope to transfer around another £5,000 to support projects in 2018. The surplus is higher than last year and once again is due to the hard work of the organisers and your continuing support but the main reason for the additional surplus was the very successful holiday to York. I hope our adventures this year are just as successful.

I should like to take the opportunity of using this report to say a few words about completing cheques. I bank your cheques at Barclays in Swanage and some of you may know that when I present the cheques they are read by a machine behind the counter. It is therefore important that the cheques are clearly written and that all the data is accurate. So can I please ask you to ensure that you enter the payee (PANT), the current date (unless otherwise advised), the amount payable in words with the numbers inside the appropriate box (please ensure that they are clear and the same amounts) and finally sign the cheque above the bottom line.

Please **do not put staples** in the cheques because if I do not spot them the bank's cheque reader gets very angry!

I know this all sounds obvious but even I sometimes forget some of these simple rules (and I am supposed to know what I am doing!). I am not allowed to alter or change your cheques so following this guidance helps me and the organisers no end and I thank you for your co-operation.

INSURANCE

Please note that the 3rd Party Indemnity Insurance Policy does not cover members over the age of 80 years for Personal Accident Members, Volunteers and others over this age participate in Association activities at their own risk.

COST etc.

The price of outings includes the coach travel, driver's gratuity and entrance fee (if any) to the property being visited. If bringing a guest we need to know whether he or she is a NT member as non-members do need to pay the admission charge to NT properties.

BOOKINGS etc. Bookings are made on a first-come first-served basis, and cannot be dealt with over the telephone. Places will be offered strictly in accordance with the date a booking is received by the event organiser. Friends or family are very welcome, but if an outing is oversubscribed, members take precedence. A reservation list is kept for over-subscribed outings so, if you need to cancel for any reason, please do not offer your place to anyone else, but let the organiser know so that the place may be offered to the next person on the waiting list.

CANCELLATIONS If you do need to cancel, providing it is more than 3 weeks before an outing, a full refund (less £5 administration fee) will be given. After that a refund will only become due if the seat/s can be passed to another person. Tickets will not be issued until 2 weeks before, but if an event is cancelled you will be informed and your cheque returned.

When making your bookings please send your booking form/s, together with a separate cheque and **s.a.e.** for each outing to the organiser of each event. Their address is on the inside of the front cover. **PLEASE MAKE YOUR CHEQUES PAYABLE TO PANT**, dated as shown on the booking form.

Some of the outings are to HHA and RHS properties. If you are a member of those organisations bring your membership card. You will pay full price for the outing but will be refunded the cost of the entry but *only* if you have been able to show your membership card to gain free entry.

DAY TRIPS

WISLEY RHS

Thursday 12th April

Cost £30.00 members £32.00 non-members

Start 8am Swanage

Leave for return 4pm

RHS Garden Wisley is the flagship garden of the Royal Horticultural Society. At this time of year the spring bulbs should be in full bloom, as should the azaleas, rhododendrons and the alpine meadow. The RHS was given Wisley in 1903, at that time only a small part of the estate was actually cultivated as a garden, the remainder being wooded farmland. The original garden was the creation of George Fergusson Wilson. After Wilson's death in 1902, Oakwood and the adjoining Glebe Farm were bought by Sir Thomas Hanbury, a wealthy Quaker who had founded the celebrated garden of La Mortola, on the Italian Riviera. In 1903 Sir Thomas presented the Wisley estate in trust to the Society for its perpetual use.

When we arrive at the garden an experienced and fully trained guide will take us on a 60 minute tour showcasing the garden highlights.

The gardens are accessible and there is a recommended wheelchair route from the entrance. However some areas - such as the Rock Garden - have limited access. Six powered mobility scooters are available to hire free of charge at the garden entrance. Please call **01483 224234** in advance to reserve a scooter for your visit. There is also a buggy ride which is free, and runs from 10am to 3pm each day. It starts from the edge of the Conifer Lawn and runs continuously around the garden, taking approximately 30 minutes to complete a circuit - there is a pause in service at lunchtime.

There are several places within the gardens to eat and drink. The Terrace Room, and the Food Hall serve main meals. There are also the Glass House, the Coffee Shop and the Honest Sausage, although the latter's opening is dependent on the weather.

HAMPTON COURT PALACE

Tuesday 22nd May

Cost £45.00 members

£47.00 non-members

Start 8am Swanage

Arrive Swanage at 7.30pm approx.

Hampton Court is the most famous Palace in England, having been home to the flamboyant King Henry VIII. There is so much to do and see including the magnificent gardens and maze. Many new attractions have been added in the last few years, including a unique re-creation of the Imperial Crown in the Royal Pew.

The palace admission ticket includes access to an audio tour of Hampton Court Palace.

There are three places to eat in the palace—The Tiltyard café is self service, the Privy Kitchen for soup and snacks and the Fountain Court which is a waitress service restaurant.

It should be an exciting place to visit. Wear comfortable shoes, and enjoy yourself.

BENNETTS WATER GARDENS, CHICKERELL

Wednesday 6th June 2018

Cost £20.00 members £22.00 non-members

Start 1pm Swanage.

Return 4.30pm.

Come and enjoy an afternoon wandering through the gardens and perhaps taking tea in the Café Monet which has beautiful views over the gardens.

The 8 acres of gardens are home to National & International Collections of Water Lilies, flowering from late spring through to the autumn, creating one of the most outstanding displays of water lilies in Britain with the Monet Bridge as a centrepiece.

Grass pathways lead you through the series of ponds and lakes surrounded by wetland plants, native trees, palms, wild plants and flowers. The gardens are a 'Site of Nature Conservation Interest' and home to abundant wildlife. There are scenic places to sit and unwind and shaded woodland walks to explore. There is a route for the disabled, although having visited the gardens I would not recommend it for buggies or wheelchairs.

The Tropical House contains exotic plants including a cacti collection and a small museum contains the local history of Chickerell village (mentioned in the Domesday Book), Chesil Beach & Fleet lagoon, plus the fascinating history of this site from the Brickworks & Clay Pits of 1859 through to the gardens of today.

This 'spiffing entertainment' is adapted from the golfing stories of P G Wodehouse. Something to make you smile!

A group of girlfriends, all aged 40, discussed where they should meet for lunch. Finally it was agreed that they would meet at the Ocean View restaurant because the waiters there were handsome, with tight trousers and nice bums.

Ten years later, at age 50, the friends once again discussed where they should meet for lunch. Finally it was agreed that they would meet at the Ocean View restaurant because the food was good and the wine selection was excellent.

Ten years later, at age 60, the friends discussed where they should meet for lunch. Finally it was agreed that they would meet at the Ocean View restaurant because they could dine in peace and quiet and the restaurant had a beautiful view of the sea.

Ten years later, at age 70, the friends discussed where they should meet for lunch. Finally it was agreed that they would meet at the Ocean View restaurant because the restaurant was wheelchair accessible and had a lift.

Ten years later, at age 80, the friends discussed where they should meet for lunch. Finally it was agreed that they would meet at the Ocean View restaurant because they had never been there before!

Eligibility for membership of PANT

A proposed change

The purpose of this note is to give members notification of a change to the PANT Constitution that will be proposed at the AGM on April 17th 2018 (item 8 of the agenda on page 20).

The eligibility criteria for membership of a local Association, like PANT, are defined in the Constitution, the terms of which are dictated by the National Trust. Until 2014 membership was open only to people who were members of the National Trust (including NT Scotland) or who were accredited Volunteers. At that time the National Trust offered Associations a new model constitution with the option of a less restrictive membership allowing any interested person to join the local Association.

At the 2014 AGM PANT members voted 23-18 in favour of open membership but, because amendments to the Constitution require a two thirds majority, the motion was not carried. Around the country some Associations did adopt open membership, others did not.

The current committee believes it is now appropriate to re-consider the situation. There are two main reasons for this. Firstly, we are aware of several individuals who, because of increasing age or loss of their partner, have allowed their NT membership to lapse because they are no longer in a position to visit NT properties on their own. Nevertheless they would like to retain their PANT membership for the social contact and organised outings that it provides. Secondly, the experience of those Associations (including some in Dorset) who have moved to open membership has been wholly positive. The concerns originally expressed have been shown to be unfounded. None has seen a rush of people leaving the Trust and simply remaining in the local Association (in fact one local Association has gained local members who have then gone on to become full members of the Trust), nor has there been any case of a local Association being taken over by unsympathetic pressure groups.

For the above reasons, the committee will propose at the AGM that PANT now moves to open membership. Copies of the constitution wording changes will be made available at the AGM. Alternatively a copy can be obtained in advance by application to the Secretary by email (preferred) or by post enclosing a SAE.
